2nd International Workshop  
**UNDERWATER 3D RECORDING & MODELLING**  
<http://3d-underwater.cut.ac.cy>

## THE WORKSHOP

The Organizing Committee of the ISPRS/CIPA 2nd International Workshop UNDERWATER 3D RECORDING & MODELLING would like to invite you to participate as an exhibitor and/or supporter at the upcoming Workshop to be held in Limassol (Cyprus) on 2-3 May, 2019.

A Company Exhibition will be organized during the 2 days of the conference. This exhibition has the aim of informing the conference attendants (70-100 participants are expected) about new commercial opportunities in the underwater 3D modeling and mapping field together with innovative solutions using VR and AR technology.

The exhibition will be permanently open during the conference and will be situated within the coffee breaks and posters area.
